

# 2022 17<sup>TH</sup> Annual Camp Victory Benefit Golf Tournament

Wednesday June 1, 2022, Maple Valley

Making summer camp possible for at-risk and high needs youth

[www.campvictory.com](http://www.campvictory.com)

The annual Camp Victory Benefit Golf Tournament is a special event to raise money for the **Camp Victory ULEAD Scholarship Fund**. Funds raised from this event will directly benefit children who do not have the means to attend and experience the wonder of summer camp on their own. These funds also go to help provide camp opportunities with organizations such as the Friendship Place, Boys and Girls Club of Rochester, Family and Children’s Center of Rochester, Olmsted Community Services, Rochester Y Mentors, Bolder Options, and other community agencies.

The Golf Tournament is a fun and enjoyable four person best shot played on the beautiful fairways and greens at Maple Valley Golf Course.

The Camp Victory Golf Committee thanks you in advance for your support. Because you care and invest, many young campers will have an opportunity to experience God’s creation, to build real and lasting relationships in a healthy and safe environment, and to experience an unforgettable, fun-filled week.
